

ATMOSFERA TRADING L.L.C.

COMPANY PREQUALIFICATION

We create your atmosphere!

COMPANY PROFILE

BRIEF HISTORY | BUSINESS ACTIVITY | CEO PROFILE

Atmosfera, a well-Developed Italian Company based in U.A.E, established in Dubai, U.A.E. in 2005.

The company was created by its creative and enthusiastic Partners, Arch. Zakareia Koki and Mr. Ahmed Hasan Al-Ali. with a professional Italian/international team of Architectural designers, Engineers and Interior designers, in addition to our partnership with our international suppliers, Atmosfera has one of the strongest and well build backgrounds and it have been a key player in complying many unique and iconic projects in the GCC.

Through the decade, Atmosfera managed to acquire an impeccable reputation with its revolutionary- renewed design and with precise finishing timings, including the compilation of and not only, Residential, Commercial and Governmental projects. Including:

High rise building (furnished apartments)	Hotels	Spa / Hotel Spa / Home Spa / Condominium Spa
Royal Palaces	Corporate Offices	Luxury Resort Penthouses
Multi compound villas	Unique Villas	Military Camp

In addition, and of importance, Atmosfera's services have, as per specific clients' requests, included and continue to include:

- **Design-Build** (for Private Residential Projects, Furnished Hotel Apartments.)
- **Design and Supervision**
- **Consultancy and Project Management** (mostly for luxury outlets, Atmosfera clients in this category include Versace)
- **Furniture procurement** (Atmosfera works with partners manufacturing entities and directly working with their designers and thus serving its clients with custom wishes and costs.

- **Saadiyat Island**

- ❖ To provide our clients with supreme satisfactory customer service and high quality products while keeping competitive and reasonable price.
- ❖ To service the GCC Markets with high quality products from Italy that meet the high level of standards required by prominent developers and their signature projects.
- ❖ Atmosfera strive to create a balance between quality and competitive prices by eliminating the large overhead accustomed by large companies.

We are committed to pass on to our customers the advantage in this highly competitive market.

- ❖ To be the local company that can bridge high imported products from Italy to the local market and supported by precision installation in the market of kitchens, bathrooms, doors, hotel rooms, flooring and gardens.
- ❖ To penetrate the market with reputable world class interior brands from Italy that are indicative of good taste, style and quality and that have existed within the industry for many decades.
- ❖ Being highly supportive and responsive to our customers.

Atmosfera have flourished great business relationships with different hotels and apartment proprietors by providing them qualitative furnishings. These furniture are produced by leading manufacturers in Italy which features high levels of character, artistry, and substantiality in their merchandise than typical hotel and apartment furnishings.

All of our furniture can also be custom designed and manufactured to suit any specific requirements.

We can also recommend wide range of designs which may compliment the hotel's and apartment's image.

Our custom hotel furniture includes dressers, night tables, armoires, mirrors, headboards, office desks, office tables and office chairs.

CERAMIC

Atmosfera is aware that the best ceramics in the world comes from Italy and more particularly the cities of Modena and Sassuolo. We have excellent relationships with the leading ceramic manufacturers within this field. We are also well respected in the region for the provision of quality ceramic flooring and tiles to the MENA region. The relationships that we have built up together with our excellent technical knowledge and local expertise ensure that you receive the ultimate in quality and customer service.

At Atmosfera we can provide you with a complete service that includes interior design consultations and fit-out options for floors, kitchens and bathrooms complete with sanitary ware if required.

We are certain that we can provide you with a multitude of ceramic styles, designs and sizes that are of a premium when it comes to quality and remain competitive on price. We can also supply you with textures and designs that are completely unique in this market.
